Hiring Workers This Summer and Beyond

Is your small business now hiring? Whether you're looking for permanent employees or just temporary help to fill gaps in the summer workload, finding qualified workers can be challenging in today's tight labor market. Here are seven tips to help attract and retain skilled workers, including employees and interns, along with information about a tax break for hiring workers from certain targeted groups.

Remote Work Policies Can Bring Up Some Thorny Issues

The novelty of COVID-19 is gone, but some of the changes the pandemic brought to the world of work remain. Many employers are seeking long-term answers to questions relating to remote workers. Specifically, they're wondering how working remotely will affect their health coverage, and what tax withholding implications these employees will face. The answers aren't always straightforward. This article talks about these issues and explores some options.

Accumulating a Down Payment So You Can Get a Home Mortgage

When buying a home with a mortgage, one of the most important parts of the decision is: How much will the monthly payments be? That will determine how expensive a house you can afford. A nice-sized downpayment can mean a more expensive property and a smaller monthly mortgage payment. Here are some ways to help build funds for a down payment.
